That sounds good. I am actually out tomorrow, and then I am still only about half ways through the documents. Monday would be fine. I can get together pretty much anytime except for the weekly call.

Thanks!

Jacob

Not a problem. If it works better for you, will you take a look at the documents I emailed yesterday and we could catch up after your review, even if that's Monday.

Hi Josh,  
I am playing catchup from a call this morning. I don't know that I am able to catch up with you before our call. Want to debrief quickly after the call?
